

## REVIEWERS OF ASHS MANUSCRIPTS, 1990

Every paper in the *Journal of the American Society for Horticultural Science* and *HortScience* is reviewed by at least two scientifically qualified persons. ASHS is pleased to publish the following list of Members and other individu-

als who reviewed manuscripts for the 1990 issues. The Society appreciates the valuable time and unselfish effort rendered by reviewers, and acknowledges their contributions in making ASHS publications scientifically reliable and useful.
